

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK

Nyjee Boyd,

Plaintiff,

**ORDER**

-against-

Correction officer Charles Guthrie, et al.,

Defendants.

-----X

**VICTORIA REZNIK, United States Magistrate Judge:**

The Court is in receipt of Plaintiff's Letter Motion, dated October 3, 2023, requesting a 90-day extension of discovery. (ECF No. 40). On October 19, 2023, the Court held a telephonic Status Conference with the parties. During the Status Conference, Plaintiff requested a 60-day extension of discovery. Following the Status Conference, the Court issued the following text order:

During today's telephonic Status Conference, Plaintiff requested a 60-day extension of the deadlines in the Civil Case Discovery Plan and Scheduling Order. The Court granted Plaintiff's request. Following today's Status Conference, the Court observed that a 60-day extension of the deadlines listed in the original Civil Case Discovery Plan and Scheduling Order would be an insufficient extension for Plaintiff to conduct the discovery he seeks. Namely, a 60-day extension of the deadline to request interrogatories would have resulted in an August 15, 2023, deadline. Accordingly, the Court will separately enter a revised Civil Case Discovery Plan and Scheduling Order. If either party objects to the dates set forth in the revised Civil Case Discovery Plan and Scheduling Order, then the party should write to the Court, explaining their objection.

(ECF No. 38). The Court separately entered the revised Civil Case Discovery Plan and Scheduling Order. (ECF No. 39).

Plaintiff's instant request for an extension is **DENIED** as moot because the Court already

granted Plaintiff the extension he seeks during the October 19, 2023, Status Conference. The Court does not view Plaintiff's Letter Motion as an objection to the discovery deadlines set forth by the Court in the revised Civil Case Discovery Plan and Scheduling Order because the Letter Motion predates the Court's entry of the revised Civil Case Discovery Plan and Scheduling Order.

The Clerk of Court is directed to terminate the Letter Motion at ECF No. 40.

Defendants' counsel is directed to provide Plaintiff with a copy of this Order.

I am writing to request a time extension for all discovery deadlines, I request all discovery deadlines be extended to the date upon receipt of this request and I request a 90 day time extension from that date for all discovery deadlines, I request such ~~an~~ extension, because plaintiff didn't become aware of any deadlines imposed by the court until October 2, 2023, which the plaintiff, will be unable to comply with most deadlines, because alot of them have already passed, this was the first notice the plaintiff received of these deadlines on Oct 3, 2023, therefore the plaintiff request such deadlines be extended.
